

Save the Environment & Support PANDORA Donate your used cell phone, ink toners & print cartridges.

Dear Friend/Neighbor,

PANDORA – Patient Alliance for Neuroendocrineimmune Disorders Organization for Research and Advocacy, Inc. is conducting a cell phone & print cartridge recycling fundraiser. There's nothing to buy. We are simply asking you to protect the environment by donating your used digital cell phone(s) and empty ink / toner cartridge(s). Proceeds will help fund PANDORA community education programs and grass roots advocacy efforts.

We greatly appreciate your support! Check on the back of this letter for additional **drop-off** locations.

In Good Health and In Beauty,
